

A visit to Hazelhurst Arts Centre

Social Story

Hazelhurst
ARTS CENTRE

Welcome to Hazelhurst.

When you hop off the bus, you will walk to the entrance of Hazelhurst Arts Centre.

One of our friendly **Learning Officers** will be there to greet you.

Inside, you will see lots of works of art that tell many different stories.

We will take you to our main gallery where you will see a bigger foyer area and more art telling stories.

There will be lots of friendly people about.

Once inside the foyer your belongings will be stored inside the metal trolleys and everyone will sit down in the foyer.

Our Learning Officer will acknowledge Dharawal Country and then we will learn the rules of the gallery.

- Keep our hands safe and don't touch the works of art
- Keep our bodies safe and don't run in the gallery
- Be considerate of others and use our inside voices

You might get handed a sample of an artwork to touch if you like.

Your teacher will divide your class into smaller groups.

One group will go into our studio with our teacher to make some art.

One group will go into our gallery with our friendly volunteer guides to show and talk about the art on display.

One group will go into the gardens with our Learning Officer to do some drawing.

Don't worry, you will get a turn at all the activities.

You will see a soft space in the studio.

You can use this if you feel like having a rest from the activity.

There will be time between activities to go to the bathroom.

We have two bathrooms, one at each end of the building.

We will have our recess and lunch outside in the gardens if the sun is shining or in the foyer if it is raining.

The bus will arrive to pick you up and take you back to school.

You will take your artwork back to school with you to enjoy.

Thank you for coming to visit us.
We loved sharing stories and making art with you.
